

Sophie isn't old enough to write her own piece yet. She's a typical 3-year-old who loves pre-school and things that center around her. She also enjoys singing loudly and doting on/mothering her baby sister.

Sophie (Age 3)

"I have swim team a lot. Me and Hannah wake up earlier than Mom most of the time, but Sophia always wakes up earlier. Sometimes I'm a lazy bum. I like to snuggle in Mom and Dad's bed. I always have a big breakfast."

Lucy (Age 6)

"I'm in the 4th grade. I have to get to school by 8:30 for patrol duties so I wake up at 6:15. My alarm clock half the time is Sophie. My schedule is crowded. I have swim team practice Mondays and Wednesdays and piano lessons on Thursdays. I'm in 5th grade math. I also like social studies, reading and science."

Hannah (Age 9)

and Grace's 3 big sisters

P.S. Tim & Crystal still look pretty much the same and have the same jobs (consultant & full-time mom, respectively), and Church jobs (seminary teacher & relief society teacher) as last year.

We're doing fine. Hope you are, too.
